

Digital Conversion Services: 8mm tapes to DVD or .mp4 format on a USB

Convert your precious memories on 8mm tapes to a modern format. Each tape converted to a DVD disc comes complete with a case & cover with matching titles. Each tape converted to .mp4 format will be saved as individual files onto a USB. If booking multiple conversions, the same USB will be used to save everything onto. To book your conversion service with us, please complete our online contact form with your details:

www.fourteen92productions.com.au/digital-conversions/8mm-video-tapes/

We will email you a quote within **2 business days**. Upon accepting quote, an invoice with bank transfer details will be emailed to you. Once payment has been received, a date & time will be organised with you for pickup and/or drop-off of your 8mm video tapes. If booking multiple services, please complete a separate form for each service (where applicable, a pickup/drop-off fee will only be charged once as we will book your services as 1 full job).

FULL PAYMENT IS REQUIRED BEFORE ANY WORK IS STARTED. This includes pickup/drop-off of your tapes. *If we are unable to convert a tape provided, which you've paid for, a refund for that tape will be given.*

Cost: 10% total bill discount for more than 10 tapes booked in 1 service

- DVD conversion only = \$12.50 each
 - 1 8mm tape will be converted per DVD
 - *Conversion only* service means it will be an exact copy of how the 8mm tape is provided. ZERO editing will done. DVD will have NO menu included. Simply put your DVD into your player & it will just start playing.
- DVD conversion + basic editing + DVD menu = \$22.50 each
 - 1 8mm tape will be converted per DVD
 - *Conversion + basic editing + menu* service means we will digitally convert your 8mm tape, edit any blank screen out. Add a basic colour correction to the video & add titles to the start of the DVD (event title & date if applicable). The DVD will also have a menu with event title & date if applicable.
- USB conversion only = \$12.50 each
 - 1 8mm tape will be converted to an mp4 file & saved onto a USB. *Conversion only* service means it will be an exact copy of how the tape is provided. ZERO editing will done.
- USB conversion + basic editing = \$22.50 each
 - 1 8mm tape will be converted to an mp4 file & saved onto a USB. *Conversion + basic editing* means we will digitally convert your tape, edit any blank screen out. Add a basic colour correction to the video & add titles to the start of the video
- Extra copies of DVDs or USBs are available for \$7.50 extra per disc/USB

- FREE local pickup & drop-off service for residents of Lefevre Peninsula area
 - Lefevre Peninsula area suburbs include: *Outer Harbor, North Haven, Osborne, Taperoo, Largs, Largs North, Largs Bay, Peterhead, Exeter, Birkenhead, Semaphore, Port Adelaide, Glanville, Semaphore Park, Semaphore South, Ethelton*
- Drop-off & pickup from our office
 - Located at North Haven 5018. Physical address will be provided upon booking, along with a date/time to suit both parties.
- Pickup & drop-off service
 - Prices start from \$15
 - Rate will vary based on location

Copyright

ALL 8mm video tapes provided for conversion **MUST** be of your OWN recording/home movies. Tapes provided of TV recordings, movies, TV shows, concerts, etc. **WILL** not be converted due to copyright law.

Liability

Due to the nature of tapes & their diminishing quality over time, unfortunately they sometimes unravel in the player and/or become damaged. This damage can't be undone. Running lines, poor colour & poor/out of sync sound are other factors which may occur to tapes over time. These issues can't be fixed & are all beyond our control. If any of these issues arise whilst we are converting your 8mm video tapes, we **WILL NOT** be liable for any damages. You **WILL NOT** be compensated for any colour, sound or tape quality issues which may occur. If a tape unravels & can't be converted we will refund the cost for **THAT TAPE** only.

By booking our services, you agree to these conditions. At time of pickup/drop-off you will be required to sign 2 copies of these T&Cs (one for our records & one for you to keep).

If you have any further questions, please don't hesitate to contact us.

Copyright

ALL Super 8/8mm films/videos provided for conversion MUST be of your OWN recording/home movies. Film provided of TV recordings, movies, TV shows, concerts, etc. WILL not be converted due to copyright law.

Liability

Due to the nature of film & their diminishing quality over time, unfortunately they sometimes unravel in the player and/or become damaged. This damage can't be undone. Running lines & poor colour are other factors which may occur to tapes over time. These issues can't be fixed & are all beyond our control. If any of these issues arise whilst we are converting your Super 8/8mm film, we WILL NOT be liable for any damages. You WILL NOT be compensated for any colour or film quality issues which may occur. If a film unravels & can't be converted we will refund the cost for THAT SPOOL only.

By booking our services, you agree to these conditions. At time of pickup/drop-off you will be required to sign 2 copies of these T&Cs (one for our records & one for you to keep).

If you have any further questions, please don't hesitate to contact us.

Digital Conversion Services: VHS to DVD or .mp4 format on a USB

Convert your precious memories on VHS to a modern format. Each tape converted to a DVD disc comes complete with a case & cover with matching titles. Each tape converted to .mp4 format will be saved as individual files onto a USB. If booking multiple conversions, the same USB will be used to save everything onto. To book your conversion service with us, please complete our online contact form with your details:

www.fourteen92productions.com.au/digital-conversions/vhs/

We will email you a quote within **2 business days**. Upon accepting quote, an invoice with bank transfer details will be emailed to you. Once payment has been received, a date & time will be organised with you for pickup and/or drop-off of your VHS tapes. If booking multiple services, please complete a separate form for each service (where applicable, a pickup/drop-off fee will only be charged once as we will book your services as 1 full job).

FULL PAYMENT IS REQUIRED BEFORE ANY WORK IS STARTED. This includes pickup/drop-off of your tapes. *If we are unable to convert a tape provided, which you've paid for, a refund for that tape will be given.*

Cost: 10% total bill discount for more than 10 tapes booked in 1 service

- DVD conversion only = \$17.50 each
 - 1 VHS tape will be converted per DVD
 - *Conversion only* service means it will be an exact copy of how the VHS tape is provided. ZERO editing will done. DVD will have NO menu included. Simply put your DVD into your player & it will just start playing.
- DVD conversion + basic editing + DVD menu = \$27.50 each
 - 1 VHS tape will be converted per DVD
 - *Conversion + basic editing + menu* service means we will digitally convert your VHS, edit any blank screen out. Add a basic colour correction to the video & add titles to the start of the DVD (event title & date if applicable). The DVD will also have a menu with event title & date if applicable.
- USB conversion only = \$17.50 each
 - 1 VHS tape will be converted to an mp4 file & saved onto a USB. *Conversion only* service means it will be an exact copy of how the tape is provided. ZERO editing will done.
- USB conversion + basic editing = \$27.50 each
 - 1 VHS tape will be converted to an mp4 file & saved onto a USB. *Conversion + basic editing* means we will digitally convert your tape, edit any blank screen out. Add a basic colour correction to the video & add titles to the start of the video
- Extra copies of DVDs or USBs are available for \$7.50 extra per disc/USB
