

Digital Conversion Services: Slides to USB

Convert your precious photo memories once captured on slides to digital. We scan your slides in high quality .jpg format, add a basic colour touchup, remove any red eyes & save the images onto a USB for you. If booking more than 1 collection of slides, they will **ALL** be saved onto the **SAME USB** in separate folders.

To book your conversion service with us, please complete our online contact form with your details:

www.fourteen92productions.com.au/digital-conversions/slides/

We will email you a quote within **2 business days**. Upon accepting quote, an invoice with bank transfer details will be emailed to you. Once payment has been received, a date & time will be organised with you for pickup and/or drop-off of your slides. If booking multiple services, please complete a separate form for each service (where applicable, a pickup/drop-off fee will only be charged once as we will book your services as 1 full job).

FULL PAYMENT IS REQUIRED BEFORE ANY WORK IS STARTED. This includes pickup/drop-off of your slides.

Liability

Due to the nature of slides & its their quality over time, unfortunately slides sometimes have scratch marks and/or can damage in our conversion machine due to their fragile nature. This damage can't be undone. Running lines & poor colour are other factors which may occur to slides over time. These issues can't be fixed & are all beyond our control. If any of these issues arise whilst we are scanning slides, we **WILL NOT** be liable for any damages. You **WILL NOT** be compensated for any colour, scratches or slide quality/damage issues which may occur.

By booking our services, you agree to these conditions. At time of pickup/drop-off you will be required to sign 2 copies of these T&Cs (one for our records & one for you to keep).

If you have any further questions, please don't hesitate to contact us.
