

Digital Conversion Services: Audio Cassette to Mp3 file, saved onto a USB

Copy your audio once captured on a cassette & convert it to an Mp3 file & saved onto a USB. If booking more than 1 cassette to be converted, they will **ALL** be saved onto the **SAME USB** in separate folders. **STRICTLY FOR PERSONAL AUDIO RECORDINGS & NOT LICENSED/COPYRIGHTED MUSIC & AUDIO RECORDINGS.**

To book your conversion service with us, please complete our online contact form with your details: <https://www.fourteen92productions.com.au/digital-conversions/audio-cassette/>

We will email you a quote within **2 business days**. Upon accepting quote, an invoice with bank transfer details will be emailed to you. Once payment has been received, a date & time will be organised with you for pickup and/or drop-off of your audio cassette/s. If booking multiple services, please complete a separate form for each service (where applicable, a pickup/drop-off fee will only be charged once as we will book your services as 1 full job).

FULL PAYMENT IS REQUIRED BEFORE ANY WORK IS STARTED. This includes pickup/drop-off of your cassettes.

Liability

Due to the nature of cassettes & their quality over time, unfortunately some cassettes disks may be unable to be read by our capture device, have scratched tapes and/or tape that can't be read anymore. This damage can't be undone, nor can they be fixed & are all beyond our control. If any of these issues arise whilst we are copying & converting your tape, we **WILL NOT** be liable for any damages. If a cassette can't be read/copied you will be refunded for that cassette only.

By booking our services, you agree to these conditions. At time of pickup/drop-off you will be required to sign 2 copies of these T&Cs (one for our records & one for you to keep).

If you have any further questions, please don't hesitate to contact us.
